

## Tentative schedule for the CWRC Workshop-I, Makerere University, November 2006

	Mon 6/11	Tue 7/11	Wed 8/11	Thu 9/11	Fri 10/11
9.00-10.45	T1: Introduction to Wireless Communications for Development	T4: Basic radio physics	T7: Planning and budgeting	<b>Technical Site Survey</b> Location: Nakeseke	<b>Implementation</b> Location: Nakeseke
10.45-11.00	BREAK				
11.00-13.00	T2: Network topologies	T5: Radio Link Calculations	P2: Outdoor radio simulation		
13.00-14.00	LUNCH				
14.00-15.45	T3: Access point configuration	T6: Antennas and Cables	P3: Point-to-Point wireless link (1)		
15.45-16.00	BREAK				
16.00-17.30	P1: Access point configuration	T7: Outdoor radio simulation	P3: Point-to-Point wireless link (1)		

	Mon 13/11	Tue 14/11	Wed 15/11	Thu 16/11	Fri 17/11	
9.00-10.45	<b>Technical Site Survey</b> Location: Kabale (Kigezi, Kachwekano, Rubaya)	<b>Technical Site Survey</b> Location: Kabale (Kigezi, Kachwekano, Rubaya)	<b>Travel</b> Kabale-Kampala	P4: Outdoor radio simulation	Presentation of findings	
10.45-11.00				BREAK		
11.00-13.00				P4: Outdoor radio simulation	T9: Troubleshooting	
13.00-14.00				LUNCH		
14.00-15.45				P5: Implementation Plan	T10: Communication Tower	
15.45-16.00				BREAK		
16.00-17.30				Discussion of findings	T11: Introduction to Advanced Topics (2)	

1) The practical implementation will take place at the Makerere University

2) Advanced topics includes: Wireless security, network management and monitoring, QoS, authentication and billing

### Note!

Please note that the Travel to Kabale will take place Sunday the 12<sup>th</sup> of November
